Lead Agency: Washington Department of Fish and Wildlife (WDFW)

WDFW is providing updated information on this project that may be of interest to other agencies or the public. The updated information provided below does not substantially change the analysis of significant impacts in the existing environmental checklist.

The original environmental checklist dated October 19, 2010, should be modified to reflect the following change: Addition of one site to original attachment A (now A2):

Walla Walla	Touchet	Touchet River	Near Bolles Bridge	Walla Walla	8	9N	37E
-------------	---------	---------------	--------------------	-------------	---	----	-----

Comment Period extended to November 9, 2010.

Based on the original environmental checklist and the updated information provided in this addendum, we have determined that a new threshold determination is not warranted. The comment period associated with this SEPA environmental checklist addendum is hereby extended to November 9, 2010.
